

This two-day workshop is designed to prepare learners for the APM PMQ exam. Whether you have studied online, or in the classroom, this workshop is essential if you want to pass the exam. The APM PMQ exam is a three-hour essay-based test and is designed to seriously test the depth of your knowledge. Understanding questions, time-management and what is needed in answers is crucial.

## LEARNING OUTCOMES

Participants completing this course will be able to:

- Ensure that they have understood the material in the training course.
- Understand the time pressure of the APM PMQ exam.
- Quickly identify what is being asked and what is needed in answers.
- Better structure answers in order to ensure as many relevant points are made as possible.
- Review sections of the course that they are less sure about.
- Answer any final questions they might have.
- Review previous questions asked in the APM PMQ exam.
- Look at the depth of detail expected by the APM markers.
- Review the logistics of the exam.

## COURSE DELIVERY

This is a two-day workshop in the classroom. It is highly interactive and full delegate participation is encouraged. The APM PMQ exam is during the afternoon of the second day.

## WHO SHOULD ATTEND?

Simply - anyone who has studied for the APM PMQ and is looking to take the exam.

This workshop applies to both classroom learners and those who have self-studied online with 20|20.

During the afternoon of the second day, you will take the APM PMQ exam. The advice and help from the preparation will still be fresh in your mind giving you the chance to do as well as you can.

The APM PMQ exam is not an easy exam, and we strongly recommend that you complete this workshop if you are going to sit the exam.

The exam is a three-hour essay-based test and having a strategy for completing it is essential.
