

APM Chartered Project Professional (ChPP)

20/20

/ Blended Support Package

The Chartered Project Professional Standard is a professional benchmark that demonstrates attainment of a defined level of technical knowledge, professional practice and ethical behaviour and forms the basis of the assessment that applicants must pass to gain Chartered Project Professional (ChPP) status.

Why 20/20?

- 20/20 have supported almost 170 candidates through RPP with a 90% success rate.
- We have a full suite of APM training courses with a variety of training options, which can contribute towards CPD.
- 20/20 recognise this is a significant undertaking and work one-to-one with individuals to provide tailored support to help candidates overcome any barriers they may experience.
- Support can be entirely online via Webex sessions whilst maintaining the highest levels of support, meaning 20/20 can provide candidates tailored support, anywhere in the world.

Routes to Charter

/ Route 1

For those with a recognised assessment for technical knowledge i.e. PQ or PPQ:

- Provide evidence of professional practice through 1 to 4 x 500 word Project Overviews
- 12 x 250 word Statements for 10 mandatory & 2 elective competencies
- 1 hour interview including ethics questions
- CPD log (covering 12 months prior to submission)

/ Route 2

For those with a recognised assessment for technical knowledge & professional practice:

- Recognised assessment i.e. Registered Project Professional
- 30 minute telephone interview
- CPD log (covering 12 months prior to submission)

/ Route 3

Experiential route for those without a recognised assessment for technical knowledge, but who do meet the eligibility criteria:

- Provide evidence of professional practice through 1 to 4 x 500 word Project Overviews
- 12 x 250 word Statements for 10 mandatory & 2 elective competencies
- 2 hour interview including ethics questions
- CPD log (covering 12 months prior to submission)
