The Chartered Project Professional (ChPP) standard demonstrates the attainment of a defined level of technical knowledge, professional practice and ethical behaviour. Proving exceptional project capabilities.

Overview

The Chartered Project Professional Standard is a professional benchmark that demonstrates attainment of a defined level of technical knowledge, professional practice and ethical behaviour and forms the basis of the assessment that applicants must pass to gain Chartered Project Professional (ChPP) status.

Who should attend?

ChPP is for anyone that meets the following criteria:

- Having a proven track record delivering projects, programmes, portfolios or a key control or enabling function and;
- Having up-to-date knowledge of current practices and methods and;
- Being actively involved in the project profession.

You **do not** need to be an APM member to apply.
