Overview

The objective of the PRINCE2 Agile Practitioner course is to demonstrate that candidates understand and can apply the PRINCE2 Agile methodology.

This includes:
- To support organisations and individuals who are using PRINCE2 and wish to extend their knowledge and understanding of Agile
- To apply Agile concepts within their existing project management environment
- To give agile users an understanding of the PRINCE2 governance and how agile concepts fit into the project management framework.

Why Learn with 20/20?

As the largest independent provider of project management training in the UK, we are here to support and guide you through professional training. 20/20 care about your development as a project professional and will help you and your team achieve new qualifications. With a 98% pass rate for your APM accredited courses, you can trust 20/20 to deliver results.
